

The Organizer Gardener Report

About You

You're the kind of person who understands what it takes to keep things moving forward. As you research and find new practices, you excel at adding new systems to improve your life. You enjoy peace and order.

Your natural instincts are great for gardening! If you understand how to garden in your climate, there's on stopping your success.

***INTENSIVE GARDENING
is the best style for you.***

***As an organizer, you increase
food security and improve
production in the garden.***

How to Coordinate Your Garden:

- 1.** Start growing at least half your own food so you can maintain as much control over your food supply as possible. Please check out our video *How to Grow Half Your Own Food* featured by PBS at www.growhalf.com
- 2.** Discover the incredible ways you can grow food and even make your own medicine by taking our courses at The Grow Network's Academy at academy.thegrownetwork.com
- 3.** Learn the skills that everyone needs! When you learn the 27 skills for mastering self-sufficiency, you will be empowered to maintain and grow your properties and family legacy. Visit www.offgridsurvivaltoolkit.com

How to Help Your Community:

- 1.** Consider joining your local community garden and organizing efforts to attract more members and teach children how to grow their own food.
- 2.** Join The Grow Network forum with established homesteaders from all over the world that will help you learn and connect with other community leaders. When you have a question, you can reach out to verified users for free and custom tips!
- 3.** Learn how to make your own homemade fertilizers to sell or share in your local community with home ingredients you already have from this free eBook on 50 homemade fertilizers at www.freefertilizers.com
